WHA7.5 Campaigns against Smallpox

The Seventh World Health Assembly,

Considering that Article 2 (g) of the Constitution provides that a function of the Organization shall be "to stimulate and advance work to eradicate epidemic, endemic and other diseases";

Considering the study made by the Executive Board a in accordance with resolution WHA6.18,

REQUESTS the Director-General:

- (1) to continue studies on the most effective methods of smallpox control, particularly with reference to those countries where the disease is endemic;
- (2) to urge health administrations to conduct, wherever possible and necessary, campaigns against smallpox as an integral part of the public-health programmes;

(3) to provide within budgetary limitations the assistance requested by national administrations to further their smallpox control programmes; and

Programme and Budget)

(4) to report to the Eighth World Health Assembly on the progress made and the results obtained.

Adopted at the sixth plenary meeting, 14 May 1954 Handb, Res., 2nd ed., 1,3,15 (section 3 of the second report of the Committee on
